Description

Protect your castle from the evil goblin horde by dropping rocks on their heads!

Set in medieval times, Goblin Raiders is a comical, physics-based mobile game with a unique and addictive gameplay mechanic that combines both strategy and skill. The goblin horde will attempt to scale your castle walls. Do whatever it takes to prevent them reaching the top.

Smash their heads with rocks, drop poison on them, set them on fire, shoot them with arrows, blow them to smithereens - annihilate them any way you like, the choice is yours! Goblin Raiders has been unleashed on both iOS & Android tablets.

Features

- A Story-Driven Campaign Spanning 9 Hours of Mayhem
- 30 Unique and Bizarre Enemy Types Including Bosses
- Over 30 Weapons Including Crossbows, Archers and Special Types
- Mini Games (Part Of Main Campaign)
- Unlockable Survival Modes For Endless Chaos
- 8-Bit Style Retro Graphics
